Function description

Universal actuator 24/12-gang KNX KNX switch actuator 24-gang / blinds actuator 12-gang for top-hat rail mounting - Switching of electrical loads with floating contacts - Blinds output by combining two neighbouring relay outputs - Binary output mix with switch and blinds actuator is possible - Switching current 16A / 140 µF, switch-on current 200 µs: 800 A - Mounting width 216mm (12 rail units) - 5-year product guarantee, KNX Data Secure

Technical specifications

PU1, EAN	4007841089184
Type	Other
Colour	grey
IP-rating	IP20
Protection class	II

Ambient temperature	-5 – 45 °C
Mains power supply	21 – 32 V
Power supply, detail	KNX bus
With bus coupling	Yes
